# Frequently Asked Questions

## **How many guests can the venue accommodate?**

- Our barn can seat up to 100 guests comfortably.

## **What are the alcohol policies?**

- Alcohol must be served by a RAMP certified bartender for no more than 5 continuous hours.

## **Are the bathrooms wheelchair friendly?**

- Our venue is authentically rustic. Our bathrooms are not wheelchair accessible, but are handicap friendly with only two small steps at the entrance.

## **What time must the event end?**

- Due to the West Earl Township Noise Ordinance, all music must end by 9 PM. We require all guests to begin departing at this time. Vendors and tear-down crew may stay until 11 PM, if necessary.

## **Can I choose a caterer not on your list?**

- Yes! However, bringing in an outside caterer requires additional time and risk on our part. For that reason, we charge a fee of \$500.

## **What if it rains?**

- We always have a Plan B! If it rains, the ceremony is held in the barn with all of your guests seated at their assigned tables. We will walk you and your coordinator through what this looks like, if need be. It has worked wonderfully the few times we have had to implement it.

## **Do we need a professional coordinator?**

- At Hertzog Homestead we do require a professional coordinator for all wedding events. We even provide a list of preferred vendors that we know, like, and trust (you are not required to choose from this list).

## **How much is the deposit?**

- To reserve your desired date, a deposit of \$1,000 is required to hold the Event Venue and B&B rooms.

## **Is the venue insured?**

- Absolutely! Our entire property is licensed and insured and ready for your event. All you need is Day of Event Insurance.

## **Does the venue have someone on call during the event?**

- Yes - every event has a manager scheduled to guide set up and tear down, as well as be on call if needed throughout the event.
